

# Seasons and Landscapes

A fortune teller origami poem

**Autumn**

climb  
cold peaks  
touch the sky

light  
slants through  
copper leaves

**Winter**

long  
shadows  
frosted grass

gentle waves  
seashells  
sand

**Spring**

strong  
deep roots  
quiet glades

cherry blooms  
birdsong  
dawn

**Summer**

day  
simmers  
night star-bright

warmth  
sunlight  
rain: sweet fruit
